# Imagine a place...

... where children's **curiosity** and desire to learn are nurtured, creating meaningful **life skills** and academic understanding

... where children's **individual needs** are met in specially-designed learning environments with **trained, caring adults**

... where contemporary research supports **time-tested methods**

**There is such a place.  
It's called Montessori.**

Join millions of families worldwide who have chosen Montessori from birth to high school. With over 50 Montessori schools in Oregon, you're sure to find the perfect classroom for your child.
